

2015

August

LIQUOR CONTROL DIVISION
PRODUCT UPDATE

DID YOU KNOW?

Starting July 27, 2015

- You will be able to identify sale items on the orders you place in TAP. There will be a column on the left-hand side of your screen that will say “On Sale”. This was a request made by some of our agents on the annual survey they sent back to us.
- An email will be sent to your web messages in your TAP account notifying you that a special order item that you requested has been received and will be added to your next order.
- See page 2 for instructions to upload your excel or txt order into TAP.

VENDOR NEWS

New TAP Upload Function

There will be a new TAP function added this weekend that will allow you to upload your .xlsx/.xls and .txt/.dat orders. When you click on “new order” or “change order” you will get a new window asking how you wish to order.

Select “Order in TAP” for normal TAP order entry. Select “Upload Attachment” to upload your .xls or .txt files.

You can then choose between Excel or Text type files. Once selected, a window will pop up where you will choose which type again and then you will add a description. Click on the Browse button to select your file from your computer file. Once selected, click the save button and then the submit button at the top right. This will send your order to us and after a few minutes, you will be able to view your order.
